EDUCATION

Stony Brook University — Stony Brook, NY
Bachelor of Science in Technology Systems Management — *Expected June 2027*
Cumulative GPA: 3.98 /4.0
Honors/Awards: Academic Excellence Scholarship, Academic Achievement Award (Three-Time Recipient)

RELEVANT EXPERIENCE

Digital Healthcare Partners — Incheon, South Korea
Intern, Growth & Business Development — *Mar 2026 – Jun 2026*
- Drafted and structured 4 government funding applications, achieving a 100% selection rate and securing $160K+ in combined support by coordinating proposal content, deadlines, and submission materials
- Identified recurring workflow inefficiencies in the annual Licorn Incubator Program for Small Brand (LIPS) program and built a web-based project management tool with Claude to streamline deadline tracking and application workflows
- Redesigned proposal development workflows using AI-assisted tools (Claude and Gemini), reducing drafting turnaround time by 50% while improving process consistency

Incheon Metropolitan City — Incheon, South Korea
Global Ambassador — *April 2025 – Jun 2026*
- Launched and managed a bilingual YouTube channel providing foreign residents in Incheon with practical information on city services, daily life, and local resources, bridging language and cultural gaps for the international community
- Executed public-facing digital campaigns (Blog) promoting Incheon's tourism, culture, and policy initiatives; conducted research on city-level promotion strategies, delivering policy recommendations recognized as a best-practice case
- Received the Mayor's Commendation Award for outstanding global outreach and international community engagement

SUNY Korea — SUNY Korea
Undergraduate Teaching Assistant – EST 240 (Visual Rhetoric and Information Technology) — *Feb 2026 – Jun 2026*
- Coordinated communications and daily reporting across a 3-person TA team, faculty, and students, supporting consistent information flow and course operations

Student Services Team — SUNY Korea
Work-Study — *Mar 2026 – Jun 2026*
- Served as the primary point of contact for international students navigating U.S. processes, communicating complex information clearly across language and cultural barriers; supported campus event logistics for 200+ attendees

dChoi Global — Seoul, South Korea
Intern, Project Management & Marketing — *Apr 2025 – Dec 2025*
- Analyzed campaign KPIs across 9 influencer accounts using Google Analytics, identifying audience patterns that contributed to a 185% MoM increase in profile visits and 61% YoY revenue growth
- Collaborated with designers to develop Instagram marketing content, using Canva and Figma to communicate creative direction, visual requirements, and campaign objectives

LEADERSHIP EXPERIENCE

Academic Experience Day (Major Exploration Event) — SUNY Korea
Department Representative — *Mar 2026*
- Managed check-in operations and supported major-specific session flow for 300+ prospective students and families, communicating academic programs and student life information in a high-traffic event environment

Incheon Global Campus Career Mentoring Day — Incheon, South Korea
Event Staff — *Mar 2025*
- Coordinated lecturer guidance, booth setup, and check-in operations for 200+ students across five universities, ensuring organized event flow in collaboration with staff members
